

INTEROFFICE MEMORANDUM

Date: 1-Dec-1989 03:04pm  
From: EARL E SEPPALA  
SEPPALA  
Dept: ENGG  
Tel No: 695-0477

TO: Arnold M Eisenberg ( EISENBER )  
TO: RICHARD H COLLINS ( RCOLLINS AT ESVAX AT MRGATE )

Subject: Remington Arms Work

For your information, I told Terry Douglas yesterday that it looked like I would be available to do some Remington Arms work beginning sometime this month. He said that he would talk to Bill Coleman and the people in his group and call me back. The work I would be doing would not necessarily be on the New Bolt Action Rifle (N'BAR).
