Dear Sir:

Enclosed is a Remington 700-270 Win.  
Ser.#6318804. Our customer complains that  
it discharged as he went to lift the bolt  
to unload it and shot a hole in the pick-  
up.

We cannot duplicate this, so are sending  
it to you for evaluation & estimate to repair.  
Thanks.

Yours truly,

  
Glenn Mulholland
