The Evolution of A Legend...

Remington. Marlin   

•In 1938 Remington introduces first pump action shotgun (Model 10)

In 1950 Remington introduces venerable 870 WINGMASTER
Most popular, dependable, and revered pump shotgun in
America
Almost 10 Million 870's produced to date

•November 11th, 2008—Remington makes history once again
with the **Remington M887** NITROMAG

The Evolution of A Legend...

887 Nitro Magnum Product Highlights

- 870 contour barrel with Super-Strength Polymer Overmold—
"ArmorLokt™" Rust proof shell!
 - Superior Corrosion and Abrasion resistance
 - Rib integrated into barrel mold
- Receiver completely overmolded with super-strength Polymer
- Unique look/feel (Balances similar to 870)
- SuperCell recoil pad greatly diminishes felt recoil
- Weighs (7.3 lbs) 1/8 lb less than comparable 870
