**AND I AM THE
MEASURE AGAINST WHICH
ALL OTHERS FALL SHORT.**

"THIS IS REMINGTON" COUNTRY. And this is my domain.™ The Remington Model 700® has a well-earned reputation as the most accurate, solid, dependable and versatile line of production rifles ever made. For many reasons. Take the new X-Mark Pro® Trigger System.™ It breaks crisply, has virtually no creep and provides incredible shot control. Helping add to the Model 700's already legendary accuracy. The Model 700 houses the strongest action ever made, featuring our famous "Three-Rings-Of-Steel".™ And its dependability has proven exceptional since 1962. There's a Model 700 for most every need. Big game, varmint and target rifles. Stainless, blued and matte finishes. Synthetic, wood laminate and walnut stocks in standard and thumbhole configurations. All featuring a measure of quality and craftsmanship that never, ever falls short. And that can only be obtained from the undisputed leader. The Model 700.
