### **Remington® Introduces New Model 700™ XP**

**Madison, NC** – The Remington Military Products Division is proud to introduce the **Model 700 XP** to its line of long range precision rifles. The 700 Export is a superb target and tactical rifle that incorporates many of the most desirable components found on much more expensive systems at an affordable price. This rifle uses the time and combat proven Model M24 Sniper Weapons System barrel and composite stock.

Available for 2009, the Model 700 XP features a 24 inch 416R stainless steel barrel with 5R rifling and is chambered in .308 Win/ 7.62x51mm. The 700 Export is available in a field-ready deployment kit containing the following features:

- H-S Precision aramid fiber stock with detachable 5-round box magazine
- Badger Ordnance alloy rings
- One-piece Picatinny-style Rail
- Leupold® Mark 4® 4.5x14x40mm LR/T Scope
- Butler Creek® Flip-Open™ lens covers
- Harris Bipod Model LM.
- Supplied in a durable Hardigg® hard shell black case.

For more information related to the Model 700 Export and Remington's extensive line of Military and Law Enforcement firearms and ammunition, please visit our websites at [www.remingtonmilitary.com](http://www.remingtonmilitary.com) or [www.remingtonle.com](http://www.remingtonle.com).
