Rick,

Thank you for contacting Remington Country! We appreciate your interest and support in our Remington products. You can view this information on the web site @ http://www.remington.com/safety/safety_center/safety_modification_program/ Any 700 guns made prior to March 1982 would be included in the bolt lock safety modification.

I GOT THIS GUN FROM MY DAD AND HE SAID IT HAD A PROBLEM OF DISCHARGING AFTER REMOVING IT FROM A SAFETY POSITION. HE SAID YOU HAD SOME PROBLEMS WITH THAT BUT HE NEVER HAD IT FIXED. CAN YOU DESCRIBE THE PROBLEM AND LET ME KNOW OF A FIX BEFORE I LET MY KIDS HAVE THE RIFLE

THANKS

RICK
