Dear Mr. Kravitz,

We regret you are experiencing a problem with your Model 700. We would like to speak to you in more detail regarding your inquiry. If you will please contact our Parts & Repair Department with your SERIAL NUMBER, at 1-800-243-9700 Mon-Fri 9-5 EST, our representatives can assist you with this matter.

I have inherited a Model 700 30-06 from my father. This gun over the years has fired a couple of times that I am aware of while the safety is being released. My son would like to hunt with this rifle so I want to find out if this is a problem that can be corrected and if so where can I send it to have it repaired?
