[http://www.remington.com/support/repair\\_services/](http://www.remington.com/support/repair_services/)

You can also take your gun to your nearest Gander Mountain store. To locate a store near you go to:

<http://www.gandermountain.com/storelocator/>

To view the warranty for Remington firearms, go to:

<http://www.remington.com/support/warranty/>

Customer (greg anselmo) 11/24/2008 7:38:59 AM

In cold conditions, when firing, trigger is very hard to pull, when fired. After ejecting, and a new round is put into the chamber, the gun fires when the bolt is closed. Is this a problem with the trigger, or the bolt?
