

MODEL 700™ NORTH AMERICAN CUSTOM RIFLE

JUST WHAT YOU'VE ALWAYS DREAMED OF.
A monster mule deer. B&C elk. That elk tag you've drawn after years of waiting. These are what dreams are made of.

- "Blue printed" Model 700™ carbon or stainless steel action to ensure receiver face and bolt face squareness and uniform locking lug contact
- Satin blued metal finish and jeweled bolt body (North American Model)
- Satin stainless barrel assembly and jeweled bolt body (North American Stainless Model)
- Custom turned, chambered and fluted Model 700 carbon or stainless steel barrel (24" standard calibers, 26" magnum calibers, 22" dangerous game calibers with iron sights)
- Machined steel trigger guard and floorplate assembly (North American Model)
- Machined stainless steel trigger guard and floorplate assembly (North American Stainless Model)
- Bell & Carlson composite stock — desert tan with black webbing (North American Model)
- Bell & Carlson composite stock — black with gray webbing (North American Stainless Model)
- Full length aluminum bedding blocks
- Recessed target crown
- Model 40-X adjustable trigger tuned and set by Custom Shop at 3 lbs.
- All rifles .30 caliber and under must meet a sub-MOA

REMINGTON CUSTOM SHOP PERFORMANCE

Engineered Accurate. Custom-tuned and chambered barrels, tried actions and bolt lugs lapped to ensure full contact and deliver pinpoint accuracy.

Engineered Reliable. The extreme precision with which a Custom Shop rifle is built creates a flawless meshing of components and a piece of machinery that will go the distance. Everlasting? You be the judge.

Engineered to Fit. Your firearm is designed and crafted by serious shooters. From our hands to yours, a Custom Shop rifle is a finely tuned instrument.

Engineered Tough. A Remington Custom rifle is a true shooter's tool, designed and built to weather the harshest conditions.
