GENERAL

ARMS DEVELOPMENT SCHEDULE - April 1, 1956

After some discussion, the Operations Committee (Arms Division) recommended to Management approval of the Arms Development Schedule dated April 1, 1956. Discussion of the individual items will be included under the regular agenda.

SHOTGUNS

SPORTSMAN-58

The Plant reported that, in spite of normal start-up difficulties, production is now proceeding and the quality of guns being produced is considered satisfactory. Trade acceptance has been very good, and orders have been received for more than 20,000 guns. The following revised production schedule was submitted:
