

MODEL 760, 308 CALIBER

The addition of the 308 caliber to the Model 760 will require a new Magazine Follower and marking rolls for the Barrel. Two months will be required to obtain stampings after approval by Management.

Assuming approval is received in May and funds authorized by June 1, the following warehouse schedule could be established.

	<u>May 1, 1956</u>	
	<u>Schedule</u>	
August 1956		150
September 1956		2500

(Schedule as required by Sales)
