

Bridgeport, Connecticut
December 31, 1956

TO: P. H. BURDETT (30)
FROM: N. F. LARSEN
SUBJECT: SALES, EARNINGS AND RETURN ON INVESTMENT
BOLT ACTION CENTER FIRE RIFLE LINES.

Attached are the following schedules on the above subject, supplementing data submitted at the Operations Committee meeting on December 11, 1956:

1. Sales, earnings and return on investment - book basis (steel floor plate and trigger guard)
2. Increase in sales, earnings and return on investment - out-of-pocket basis (steel floor plate and trigger guard)
3. Sales, earnings, return on investment - assuming discontinuance of M/721-722 - book basis (aluminum floor plate and trigger guard)
4. Increase in sales, earnings and return on investment - out-of-pocket basis - assuming discontinuance of M/721-722 (aluminum floor plate and trigger guard)
5. Summary comparison of sales, earnings and return on investment.

The attached calculations are based on A grade wood and machine checkering for the M/725.
