SHOTGUNS

MODEL 370

28 and 410 Gauges

Since the economics on the AP and ADL grades of these small gauges have not been attractive, consideration is being given to an "ADL Super" grade. Tentatively, the features requested by Sales on this grade are the following:

20" barrel
gold bead front sight
gold on the knurl of the magazine knob and
black on the end
blond wood
carrier and trigger gold
