

DEVELOPMENT SCHEDULE

The draft of the semi-annual development schedule was reviewed. Additions will be made for left hand shotguns, left hand Model 591, and the Model 870 formed Stock. The development schedule will then be submitted for General Management approval.

The meeting adjourned at 2:20 p.m. The next meeting is scheduled to be in Bridgeport October 26 at 10:00 a.m. The R & D long range program will be presented plus any arms items that require committee action.

The revised dates for the Arms meetings are November 22 and December 19, 1967.
