

SHOTGUNS - contd.MODEL 1100 AND 870 SHOTGUNSBarrel

Marketing reported a strong demand for Model 870 and Model 1100 trap guns and extra trap Barrels in a 30" modified ventilated rib specification.

Forecasts of first year sales are 300 additional trap guns and 2000 extra Barrels. January 1969 announcement was proposed. Additional facilities to increase Barrel production should be in operation the latter part of 1968.

Current Trap Gun Order Position

	<u>30"F</u>	<u>28"F</u>	<u>28"M</u>
M/1100 TB	1089	183	122
M/1100 TBMC	1230	128	94
M/870 TB	1263	92	97
M/870 TBMC	1278	74	33
M/870 TC	347	16	18

Remington's pricing of spare Barrels was discussed. Although gun prices have increased, Barrel prices have remained constant. Competition has in the past several years increased spare Barrel prices. Marketing believes Remington prices are now in line with competition.

Committee Action:

On basis of the expected increase in gun sales and spare Barrels, the addition of the 30" modified ventilated specification for 1969 was approved.
