

BENCH REST BULLETS

BULLET MANUFACTURE

Attached as Exhibit 3 is the R & D proposal to manufacture bullets in the Ilion R & D Custom Shop. This proposal was also submitted with the agenda.

The reason for the proposed manufacture at Ilion, space requirements and economics were discussed.

Committee Action:

The Committee approved the proposal as outlined. R & D is to submit a project for General Management approval.

A report of accomplishment one year after approval is to be submitted to the Operations Committee by R & D.

The meeting closed at 2:58 p.m. The next meeting is scheduled to be in Ilion on Thursday, September 19, 1968, at 11:00 a.m.
