

TRAPSTOURNAMENT TRAP

R & D reported that the prototype Tournament Trap has essentially been debugged. Testing should start the first part of May.

When testing of the prototype is considered satisfactory, the trap is to be sent to Lordship for installation. A second prototype will then be assembled.

WONDER TRAP

(Introduction 1970)

Production has started on the revised Wonder Trap. As soon as the ten (10) remaining old style completed traps have been shipped, all future production will be of the revised design.

Samples of the old and new design hand and electric Wonder Traps were reviewed by the Committee.

Committee Action:
