Gentlemen:

Thank you for your order for ...

... which is being returned herewith.

Because of the decided advantage this accessory could give the user, under many circumstances, we have emphasized in our literature that it is available to law enforcement agencies only. We feel certain that your department officials would want us to maintain this policy of selling the accessory only to law enforcement agencies, and not to individuals.

Therefore, we would be pleased to fill your order if you would resubmit it on official stationery and give as the shipping address your agency address.

Thank you for your cooperation, and we look forward to processing your order following resubmission as described above.

Sincerely,

CONFIDENTIAL
