

TRAPS - contd.SWEDISH TRAPS

Marketing reported that testing of the Swedish traps will begin the week of December 12 and results should be available by January 10, 1972. R & D will participate in the testing. Pictures were shown of the traps. The tournament trap will cost \$736.00 including duty and surcharge when purchased in lots of 40. Sixty day delivery is indicated.

The skeet traps will present no patent infringements. The magazine will hold either 130 or 600 birds. Marketing has seen these traps in operation and they are candidates for the Remington line. These traps will have a one year guarantee on all parts from Hansen.

The meeting adjourned at 11:35 a.m. The next meeting is scheduled to be at Bridgeport on Friday, January 21, 1972, at 9 a.m.
