

SHOTGUNS - contd.THE 3200 SHOTGUN - contd.

It is expected that trial and pilot work on the 1 of 1000 trap guns will begin in the second quarter of 1973.

Marketing requested that 40 trap guns be available in December for the field representatives. Stocks for these guns will have to be hand made and should be started when the model drawing is available. The Ventilated Rib could be the bottleneck on these samples.
