

TRAPS - contd.REMINGTON SKEET TRAP  
(Introduction 1974)

R & D reported that initial tests of a modified tournament trap gave more vertical dispersion than desirable. Efforts are directed toward reducing vertical dispersion by reducing end play in the throwing arm shaft and related parts.

The meeting adjourned at 11:45 a.m. The next meeting will be at Ilion on Friday, September 21, 1973 at 11:00 a.m.
