---

Future Work

All Browning, Remington and Winchester guns will be brought to 600 rounds each through the round robin field function stage. The most reliable of each model, based on this function testing, will be endurance fired to 5000 rounds each. This is a report of the first endurance phase.

Guns on Order

- (3) Browning 2000 + (1) 3" Magnum barrel only
- (2) Beretta AL-2

CONFIDENTIAL 83
