

TRAPS - contd.SKEET TRAP - contd.  
(Introduction 1976)

Production reviewed the economics for the proposed skeet trap, Exhibit 3. It was recommended that this trap be released to production.

Marketing will review the selling price for a possible increase, however, this should not delay requesting release to production.

Committee Action:

The Operations Committee accepted the economics for the skeet trap. It was recommended that General Management release this trap to production.

The meeting adjourned at 11:40 a.m. The next meeting will be at Ilion on Thursday, May 29, 1975 at 11:00 a.m.
