

EXHIBIT "B"

SAFETY WARNINGS ON AMMUNITION BOXES

1. This ammunition is intended for use only in firearms in good condition originally chambered for this shell (cartridge).
2. Make sure ammunition exactly matches shell (cartridge) designation on firearms.
3. Be familiar with Instruction Book for your firearm. If you do not have a book, write to the firearm manufacturer.
4. Write Remington for free booklet on Firearms Safety.
