Based on our findings, Remington Arms Company, Inc., cannot accept any liability or responsibility for the incident. However, since we realize that no one would intentionally create this unsafe condition, and wishing to be as helpful to you as possible, we will re-examine your original assembly to our specifications, at no charge, and return the rifle to you postage paid.

We trust that our handling of this matter meets with your approval, and thank you for having afforded us this opportunity to examine your rifle and to be of service.

Sincerely,
