SUBJECT

Gentlemen, Please find enclosed Firearm Transaction Record and my F.F.L. with this Remington 700 BDL Serial # 136263126. 800mg. My customer just brought it in and claims when he pushed the Safety off it fires. It did it Two Times so he quit using it. We sold it 9-24-90 Sighted it in for him but only fed 1 cartridge in to the chamber each shot. We called your firearms Product Manager in Bridgeport and was Told To Send it To you.

Sincerely,

Glen O. Cornell

Can you return this rifle To the owner - to save Time?
