CAMERON, TEXAS 76520

(917) 677-6024

Again, Rev, this fellow is not looking for a handout, but he did incur a few fellow expenses in repairing his truck (his truck is a 1965) and wanted me to pass this info. along in hopes that Remington might have some means of reimbursing him. Please feel free to call if I can be of any help or better explain the malfunction to you as it occurred in our test.

Sincerely,
Bill Foster
