Since we found the firearm to function normally in every respect, we are prepared to return it in its present condition. However, if you desire, we will replace the trigger assembly at no-charge, if it will restore confidence in the rifle (either option is subject to a \$10.00 handling plus the return shipping charges). We will await your decision and reply.

Thank you for affording us the opportunity to examine the rifle and report our findings.

Sincerely,

J.A. Stekl, Specialist
