Remington
Union, N.Y.

Dear Sir;

Please find enclosed one Remington
700 243 send # A 6657321.

The customer says it is not safe. With
the safety "on" it fired last year. When
this ~~on~~ scared him, he put it up until
he could have us send it in for repairs.
He said the trigger was too light also.

Thanks for your assistance
