

5 Jan. 94

Remington Arms Inc.
Dept. 600
14 Hoefler Ave.
Olton, NY 13357

Sirs:

Enclosed you will find my
Remington 308, model 660
serial number 121599.

I am sending it in for
repair on the safety malfunction.
At times the rifle will not
fire and at other times the
rifle will fire when the
bolt is closed.

On August 1993, the gun
was sent by local dealer
for repair supposedly back
to Remington. Please check
