

WHEN I WENT DEER HUNTING IN NOV OF THIS
 YEAR I HAD THE SCARE OF MY LIFE, I
 WAS UNLOADING MY RIFLE WITH THE BOLT
 & ONE OF THE ROUNDS DROPPED FROM THE BOLT
 & FELL BACK INTO THE CHAMBER WHICH I DID
 NOT SEE & WHEN I WENT TO PUT A NEW
 ROUND BACK IN THE BULLET FROM THE SECOND
 ROUND HIT THE PRIMER OF THE FIRST ROUND
 & FIRED THE ROUND OFF WHICH WAS REAL
 CLOSE TO MY LEFT, THE PRECUSSION WAS
 BAD ENOUGH, I AM VERY UNHAPPY WITH
 THIS RIFLE. I WOULD LIKE IT REPLACED
 OR REFUNDED, I PAID \$395.95
 IF REPLACED PLEASE EXCHANGE IT FOR THE
 MODEL 700 BDL SS-24 STAINLESS, SYNTHETIC
 300 WIN MAG IF NOT THAT REPLACE IT WITH
 THE 7MM MAG.

rifle
 shows no
 evidence
 of
 damage

Thank you
