

To Whom It May Concern;

I, Dominic Giampagna of
18 Marisa Circle, S.I. N.Y. 10309, am
sending my rifle - a 700 BDL in for
servicing. When taking the gun off
safety the gun fires. I purchased the
gun on 9/25/82. I was told this is
a possible recall repair. You can reach
me at my home (718) 967-0693 or office
(718) 948-7695 if you need. Also, is
there a kit available to change the existing
load to a clip-type load.

Sincerely,
