Mr. From Cole,

I talked to Mr. Randolph Saenz about a problem which just occurred with this model 700 - 3006 Rifle. He suggested I send it to your attention.

The gun fired when the safety was released & since then it does not lock all the time. Sometimes when it does lock it will fire when changing the bolts. If you need to talk to me please call at these 2 numbers.

Area Code
Work - 512 865 3390
Home - 409 561 8463

Thanks
Sincerely
Fred C. Sappert
