We trust that we have clarified the circumstances that could possibly have caused the accidental firing and, as a gesture of good will, even though there is nothing wrong with your present trigger assembly, we can replace it with another assembly at no charge, to insure that your faith in the rifle is restored, or, the rifle can be returned as received. We will await your decision and reply.

Thank you for having afforded us this opportunity to examine your rifle and to be of service.

Sincerely,

J.A. Staki, Supervisor  
Firearms Product Service
