Mr. J.A. Stahl

Here is a letter I'm sending along with my - 7.54. Rem. Reg. at the request of your Rep who had talked to my brother in law on 12-1-81 and his name is Fred Lockard of Bay City, Mch.

On Nov. 23rd at about 11:00 clock in the morning my friend and I went hunting for the day. So after we talked for a little bit I told him lets get ready and will go home, first I had to unload my gun. We each had a camper and while he was walking to his camper to get everything ready to go home I took my gun to unload it. The first thing I always do is put it between my legs and pour it to the ground (back side). Then I always take my thumb and index finger and put them on the trigger. He took my thumb and held it. If my index or thumb or nose when I
