Mr. Roger Patter  
Reference our telephone call  
on Recd. 700ADL 30/06 Mr. Harris  
serial # B6813018-

Mr. Harris says the rifle  
went off while he was holding  
it by the barrel in moving  
around in the stand. There  
was nothing around to come  
in contact with trigger.

He said if you didn't  
find anything wrong he was  
going to sell it. As he is  
afraid the rifle is not safe  
now, after it went off  
like it did.
