We trust that we have clarified the circumstances that could possibly have caused the accidental firing and, as a gesture of good-will, we can replace the present trigger assembly with a new one at no-charge, to insure that your faith in the rifle is restored, or, we can clean the original assembly before returning the rifle. We will await the decision and reply.

Thank you for having afforded us this opportunity to examine your rifle and to be of service.

Sincerely,

J.A. Stakl, Supervisor
