Dear Sirs,

I have been extremely busy and have not had the opportunity to contact you regarding the serious problem I encountered while hunting with a new Remington mountain gun. I purchased the gun in October 1988 from Hub Sports located in Abbotsford. Roger, owner of Hub Sports gave me your address upon my request.

I bought the gun about 2-3 days before our moose hunt up at B.C. Lake B.C. and never had the chance to fire it - Hub had it sighted and had firing patterns. Anyway, we followed a bull into the woods, 4 of us with bullets in chamber on safety, initially walking single file. We then split up and after another 100 yards I saw moose crossing my path about 25-30 yards ahead - I raised
