

I HAD THE RIFLE LAYING ON THE SEAT OF THE TRUCK ON THE
PASSENGER SIDE. I WAS STANDING OUTSIDE THE PASSENGER DOOR.
I WAS LOADING IT WITH IT POINTING AWAY FROM ME AND TOWARDS
THE DRIVERS SIDE. I WAS LOADING IT AT THE TRUCK TO PROVIDE
LIGHT. I HAD PUT FOUR BULLETS IN IT AND WAS BELTING ONE
INTO THE CHAMBER. I HAD PUSHED THE BOLT FORWARD AND
AS I CLOSED THE BOLT DOWN, IT FIRED. IT PUT ONE
HOLE ON THE DRIVERS SIDE KICK PANEL INSIDE, ~~IT~~ THE BULLET
EXPLODED AND PUT ONE HOLE IN THE UNDERSIDE OF THE FENDER
AND TWO HOLES ON THE OUTSIDE.
