To Whom it may Concern:

1. Was unloading 7mm in Truck to Pick up hunter; gun went off into transmission (\$890.92) cost; Copy of Invoice 1829 attached.
2. About a week later was fixing to unload gun outside of truck; pushed safety off & gun went off.
3. In West Texas several years ago, again was unloading the gun & 7mm went off into Floor board of truck & again in West Texas was unloading on top of Jeep & gun went off.
4. P.S. I like the rifle.
