

Feb. 17, 1989

Mr. & Mrs. E. F. Sienkiewicz:

I am sending to you my  
Remington model 700 rifle. J.A.  
Stebel recommended that I do  
this in a letter dated Feb. 2, 1989.

He stated that you would  
examine and test this gun. Then  
the gun will be returned to me  
with a report.

Thank you for your help in the  
effort to resolve my complaint on  
the safety of this rifle's design.

Sincerely,

Richard Locklein
