Gentlemen. -

Under separate cover, via U.P.S.
insured, I am forwarding my Remington
bolt action, model 700; 270. Serial
C-6250206. I purchased
this weapon approximately 5 years
ago, & have used it every fall since
on antelope & deer hunts in Wyoming.
Two years ago, on one occasion,
this weapon fired as I took the
safely off. I have thought about
this mis-fire virtually every time
