Dear Mr. Stekl,

Thank you for your letter of explanation regarding my rifle that I had returned to you for examination. The rifle is Model 700 7mm Remington Mag. Caliber Serial number A6366661. I was to decide whether to have any adjustments or repairs made by your company but since you indicate that in your tests there was no indications of faulty parts I would like for you to just return the rifle to me.

I appreciate your time and effort in this matter.

Sincerely,

Steven M. Moore
