Dear Capt. Nannini:

Reference is made to your May 17, 1991 telephone conversation with our Mr. John Rogers regarding the two (2) Model 700 308 Win. caliber rifles, serial numbers C6532119 and C6367512 that your department returned to us a short time ago.

Upon our receipt of these rifles, it was immediately noted that neither of them was subject to recall for any reason.

Both rifles have been thoroughly examined and found to operate properly in every respect. Trigger pull, sear-engagement, over-travel and safety forces were found to be well within our specifications.

Per your request, we are returning rifle number C6367512 to you in its as-received condition and, per agreement, we will replace the trigger assembly in rifle number C6532119 at 1/2 the normal charge, as a gesture of good-will, and the rifle will be returned to you U.P.S. C.O.D.

Thank you for affording us this opportunity to be of service, and we trust that our handling meets with your approval.

Sincerely,

A handwritten signature in cursive script, appearing to read "J.A. Stekl".
