Dear Sir: J.A. STEKL

May, I start by saying that me and my brother's and friend's own Remington gun's. And have always liked Remington Arm's, gun's.

But, if I may get to the point, some years ago I brought a Model #700 BDLO. It's been a real fine gun for some year's. I have got some real, good game with it.

But three years ago while going hunting (Deer) in Northern Missouri, on opening morning, I put the shell's in the gun, when
