BARBER - Kinzer PPS GAL RE0003854

December 29, 1991

Remington Arms Co. Product Service Dept. Roger Potter 14 Hoesler Ave. Ilion, N.Y. 13357

Dear Mr. Potter:

In regard to our recent conversations concerning the discharge of a Remington Model 700 rifle, I am sending you the documents and items you asked for. That being the following: invoice of the damages, the spent cartridge, and the 300 magnum rifle.

I truly appreciate your concern of this matter and look forward to a quick response.

Sincerely,

Mek Payne
