

This Rifle is very unsafe I demand that Remington send me a new Rifle. even after Remington said it was fixed it went off agin. I paid for repairs that did not fix the Rifle I could have killed some one not one time but two times the time I was with out a Rifle This is not a toy someone could get killed I will not take the same Rifle I demand a new one or my money back. I could never hunt with this Rifle agin it is unsafe Please help me
