Dear Sirs:

I am writing this letter to tell you about my Remington Model 700 - Serial No. A6491611. This rifle was given to me about 6 years ago.

My first couple of seasons I used the rifle. I had no problems. One big game season I went to unload it and as I was ejecting the shells through the action the rifle discharged. I was stunned and shocked, but luckily the rifle was pointed in a safe direction. The next week end I was doing the same procedure and the rifle went off again.

That summer I took the rifle back to where it was purchased. I went to great expense to get the rifle modified to receive a clip, as
