Dear Mr. Rickle:

Reference is made to your letter of March 26, 1985, regarding the Model 700 ADL 270 Win. caliber rifle, serial number A6491611, that you sent us for examination and testing.

While we could not duplicate the malfunction you reported, we do want to be as helpful to you as possible. We, therefore, offer to exchange barreled-actions only with you for \$75.00 net. This is our standard charge to re-barrel an action. The new barreled-action will have the new style trigger assembly that will allow opening and closing the bolt while the safety is in the "on safe" position.

If this offer is acceptable, please advise at your convenience and enclose a check in the above amount made out to Remington Arms Company, Inc., marked to my attention. We will await your reply.

Sincerely,

J. A. Stekl
