Dear Mr. Rosentheil:

This is in reply to your October 15, 1985 letter regarding your Model 700, in .270 Win. caliber, serial number B6556861, which you report fires upon safety release.

We are very concerned about the cause of this difficulty and ask that you package the rifle and send it via U.P.S., transportation COD, to:

Remington Arms Co., Inc. _____
Attn: R.H. Potter
Product Service Div.
Ilion, NY 13357

For more timely service, please boldly mark both butt ends of the outside gun package "RUSH TO R. POTTER".

Our experts will then examine your rifle, and I will provide you with a full report of the findings and our action.

Thank you for calling this matter to our attention, Mr. Rosentheil, and we look forward to being of service to you.

Sincerely,

R.H. Potter, Supervisor
Product Service
